

Adjacent properties and boundaries are shown for illustrative purposes only and have not been surveyed unless otherwise stated.

All areas shown are approximate and should be verified before forming the basis of a decision.

Do not scale except for planning application purposes.

All dimensions must be checked by the contractor before commencing work on site.

No deviation from this drawing will be permitted without prior written consent of the architect.

The copyright of this drawing remains with the architect and may not be reproduced in any form without prior written consent.

Ground floor slabs, foundations, sub-structures and all work below ground level is shown provisionally. Inspection of ground condition is essential prior to work commencing.

Reassessment is essential where the ground conditions dictate and redesign may be necessary in the light of soil conditions found. The responsibility for establishing the soil and sub-soil conditions rests with the contractor.

Revision C: 09.08.12 Second floor window heights changed to match north elevation; double gate moved forward; wall omitted at LG floor by front door; balcony on east elevation extended

Revision B: 19.05.08 Additional Support Wall introduced to terrace.
